

## Medicine Hat Golf & Country Club Junior League 2018

My name is Connor Lunge and I am in my 9<sup>th</sup> year as an Associate Golf Professional at the MHGCC. I graduated from Lethbridge College in 2012 with a diploma in Business Management and a 1year certificate in Golf Management. I fell in love with the game of golf at a very young age and ever since always wanted a career in the industry. One of my many passions is Junior Golf. I believe we have created 3 great junior golf programs that suit the skill level and ages of all kids.

Our staff at the Medicine Hat Golf & Country Club (MHGCC) is committed to grow the game of golf. By creating a fun and safe learning environment for our students, our students will learn about the game and the core values it teaches us. Under the direction of CPGA Professionals, students will learn the etiquette, rules of golf, fair and fundamentals of a game that can last a lifetime.

Please feel free to contact myself or our Head Professional Wayne Mattson if you have any questions or concerns.

This program is designed for the junior golfer who has already been introduced for the game. In this Learn To Play program, the student will get instruction from our CPGA Professionals on all aspects of the game. On Sundays, the students will take part in a 30 minute lesson before heading out on the course to play 9 holes. During the instruction they will be instructed on how to make more consistent ball contact, different types of short game shots and a more in depth look at putting. Like all our junior programs the main goal of this program is to keep the junior interested in the game and improve their skill. Once students complete the lesson portion, they will play 9 holes of golf. Juniors will play from either our gold tee boxes or junior tees based on their individual skill level.
